Dear Sir/Madam,

Sponsorship Invitation – Asia-Pacific Resuscitation Conference 2026

On behalf of the Organizing Committee, we are pleased to share that the Asia-Pacific Resuscitation Conference (APRC) 2026 will be held from 10-12 July 2026 at St. Giles Wembley Hotel, Penang, Malaysia.

This inaugural prestigious regional conference will bring together over 800 healthcare professionals, educators, policymakers, and industry partners across the Asia-Pacific region with a shared mission – to enhance survival outcomes through improved resuscitation knowledge, skills, systems, and collaboration.

Themed “Global Collaboration for Better Resuscitation”, the conference will feature keynote experts, scientific presentations, workshops, and industry innovation showcases. It provides a meaningful platform for organizations like yours to engage with a diverse audience and contribute to strengthening the chain of survival across the region.

We are honored to invite your esteemed organization to partner with us as a Sponsorship and Industry Partner for this important event. Your support will play a key role in ensuring the success of the conference and empowering lifesaving advancements in resuscitation education, technology, and community response systems.

Sponsorship opportunities include various levels of visibility and engagement, such as brand exposure, exhibition booths, product showcases, and collaboration opportunities with key leaders and decision-makers in resuscitation and emergency care.

We sincerely hope that you will consider supporting this initiative. Together, we can make a positive impact on resuscitation standards, knowledge sharing, and community outcomes across the Asia Pacific region.

Together with this letter, we have attached the sponsorship prospectus and details. We welcome the opportunity to discuss this further at your convenience. Feel free to contact us.
